

The Oamaru Steam and Rail Digest

September 2022

Working on the Railway

- 113 passengers were carried during a pretty wet and miserable August.
- The Husky had a few small leaks identified and tightened up.
- The steel and parts sheds have been re-clad.
- TR35's gearbox has been refitted while panel and paint work continues.
- The guards van's exterior moldings are almost finished.
- Alliance Lorneville's DSC 2421 has been lifted off its bogies so they can be refurbished, and the troublesome engine/generator set has been removed.

Coffee and a Chat – this Friday, September 9th

Our Monthly Coffee Chats are held from 10:30am on the second Friday of the month at The Brydone. All are welcome to come along for a cuppa and a chat!
